**LICENSE
SERVICE
AGREEMENT**

By purchasing a licence to Able Digital Wellness via beable.com.au or any other method, you have indicated that you have read and agree and are bound by the terms held within this service agreement.

Client Name: _____

1: Purpose of agreement

The purpose of this agreement is to document an arrangement between (Client's Name) and ABLE DIGITAL WELLNESS which provides the service user the flexibility to determine which content supports they want to access in order to assist their clients achieve their potential /aspirations and control their own life.

The service user and/or relevant guardian/s, Support Workers or carers acknowledge that Able Digital Wellness are by no way providing individuals with bespoke Exercise, Dietary or Mental Wellness advice. Content provided is general in nature and designed to be used in conjunction with any professional Allied Health advice/plan that individuals are currently accessing.

It is the user, their registered guardian/s or Support Staff's responsibility to determine weather or not our platform and the content provided is right for individuals. ABLE DIGITAL WELLNESS agrees to provide the services or support outlined in this agreement. Any changes to the services and/or support listed in this agreement will require prior authorisation from all parties.

2: Description of Services

ABLE DIGITAL WELLNESS will provide:

- Exercise
- Nutrition
- Mental Wellness content

Designed to assist people living with a disability to have access to healthier choices .

We will also provide wellness and support content that is applicable to Support Worker's/Carers.

All content (unless otherwise stated) is prepared by registered Allied Health Professionals and can be used singly or in a range of combinations to suit the client you are caring for.

While we want to try and personalize the platform as much as possible it is at ALL times the responsibility of the client and/or their guardian and support staff to determine ability levels, frequency of exercise and any potential allergy requirements.

We will also provide a Samsung tablet and Chromecast device specific to the options selected. Any damage either to hardware and/or software is the responsibility of the licence holder.
